Beth –

As I mentioned today, EIP has reached out to us regarding two of their pending FOIA requests: **EPA-HQ-2017-010504 and EPA-HQ-2017-010603. (See email from EIP counsel below).** Both FOIAs are assigned to OEX, and the FEAT is providing assistance as part of the AO centralization project. The two requests relate to the Administrator's calendar and travel vouchers.

EIP has requested that the Agency provide a date for response, as the statutory time-frame has run. EIP indicates that it will not sue EPA now if it can get a better understanding of when documents will be produced in response to the FOIAs.

Hi Wendy,

It was nice meeting you last week. I am emailing to check in on the status of two other outstanding FOIA requests submitted by EIP:

1. EPA-HQ-2017-010504 submitted on August 14 – for records of Administrator Pruitt’s (i) schedule of meetings with outside parties from May 19 through August 14, and (ii) travel vouchers from June 13 through August 14; and
2. EPA-HQ-2017-010603 submitted on August 17 – for records of travel vouchers for all travel outside of Washington, DC by any and all EPA staff accompanying Administrator Pruitt (i) from February 21 through June 4, and (ii) from June 13 through August 17.

Could you please provide a status update on when EPA will respond to and produce the requested records? As responses to both requests was due in mid-September, we plan to file a complaint by the end of the week if a reasonable date for response and production is not provided by the Agency.

Thanks,

Sylvia
